```

OUTPUT :

```
Enter the length: 8
Enter the breadth : 4
Area of rectangle: 32
Area of rectangle: 24
Enter the radius : 2
Circle Area: 12.566370614359172
Circle Perimeter: 12.566370614359172
Enter the length:12
Enter the width :6
Enter the height:8
Area of cuboid: 432
Perimeter of cuboid : 104
Enter the radius for :6
Sphere Area: 452.3893421169302
Sphere Perimeter: 37.69911184307752
```
